1 - What are the strengths and weaknesses of Victoria Mooers (discussion section leader, lab section leader, grader) as an instructor, and how might Victoria Mooers's teaching be improved?

Response Rate 8/72 (11.11%)

- very helpful.
- Victoria was very helpful in office hours in clarifying the concepts and answering questions related to the homework/course material.
- Never met her, her grading is fine.
- grades pretty harshly, losing a lot of points for small errors. she was nice and communicative, answers quickly
- I cannot speak well enough about Victoria. She is an incredible source of support and motivation. As a woman in economics she took time to connect with me and talk to me about her personal career path. She connected me with really great programs, and was so helpful.
- She is very straight forward and easy to understand.
- Always made herself available to students and responded in a timely manner. Left detailed comments in graded assignments, helpful when discussing homework, and was good teaching assistant.
- Victoria went above and beyond to support students and make herself available for feedback.

2 - What is the overall teaching effectiveness of Victoria Mooers in the current modality?
